General Rules

- Choose your item by **size** in addition to theme (don't forget custom dimensions!)
- Leverage layouts for polish
- Don't forget the left hand menu (text, elements, and personal uploads)
- Keep it simple!

Prioritize Images

- Unsplash.com
- Flickr Creative Commons:
flickr.com/commons
- Google Images (Advanced Image Search > Usage Rights)

Cost

- Look for the \$ sign on templates, images, or design elements
- A "one time use license" will cost \$1 for any single element. This means you can use the element for school projects, promotions, and any print item that will have less than 2000 copies.
- Always download your design for FREE with the watermark before purchasing
